

2020
24th Annual Production Sale
APRIL 16

1:00 p.m. • at the ranch
one mile west of Kimball, SD

www.MandEangus.com

Cattle producers,

Welcome to our 24th annual bull sale on our new date. What a year 2019 was and then along came 2020! This is a time of resilience and priorities.

The bulls were weaned the first part of November. You will see that our weaning weights were lighter than normal. We believe we have moved these bulls forward in the right manner. Please notice the scan data. The bulls have good REA's in proportion to their yearling weight. The bulls are very lean if you look at the actual rib fat measurements. We feel they have been fed in a manner to promote longevity. I firmly believe that if you pay attention to the cows, they will take care of you.

The average daily gain for the M & E bulls is from a 121 day test. Bulls from QCCR (Jase & Ann Clarke) arrived here on March 1, 2020 and they are a separate composite group for ADG.

Our entire cow herd, calves, and bulls are on a complete vaccination program with Central Dakota Animal Clinic, Dr. Jay Alberda. The bulls will be semen checked prior to the sale. We plan to freeze brand them after the sale.

There are no season long guarantees on these bulls. However, we are reasonable people. If you have a problem, please contact us.

Thank you again to all of your customers, friends and family. We really appreciate your faith in our herd and trust in us.

Sincerely, Marvin

Broadcasting Real-Time Auctions

Schedule: 10:00 a.m. - Cattle on display

11:30 a.m. - Complimentary burger meal

1:00 p.m. - Sale begins

Video Auction: All bulls will be on video and will be available to see on our website – www.MandEangus.com. Live internet bidding will be available through DV Auction.

Announcements: Announcements made sale day take precedence over printed material in the sale catalog. Anyone attending the sale attends at their own risk.

Semen Check: The bulls will be poured and given a Preg-Guard, anthrax, and foot rot shot.

Herd Health: All bulls have been on a complete vaccination program. They received Bovi-Shield GOLD 5, one shot of Pasteurella, and ULTRABAC 7. They had boosters in August and November. Bulls have tested negative to BVD. All work was done by Central Dakota Animal Clinic (Platte, SD).

Semen Interest: M & E Angus is retaining one-third of semen interest on all bulls selling.

Trucking: We will deliver within 200 miles of Kimball by early-May. All bulls left at the ranch will be done at the buyer's risk. Buyers taking their bulls within a week of the sale will be given a \$50 discount.

Volume Discount: 3 bulls - 3%, 4 bulls – 4%, 5 bulls – 5%

Farm to School Program

Thanks to generous donations the Kimball School District food service program began serving locally grown beef in January 2020. The response from the students, faculty, and community has been very positive. If you are interested in donating to the program in any manner – either a beef animal or helping with processing fees, please contact me and I'll be more than happy to visit with you.
